SENATOR HILL TO NOMINATE.

It might look a little queer to see Senator Hill make a speech at the Chicago Convention nominating Mr. Cleveland for a third time but precisely that prediction was made in my hearing by a gentleman who has been singularly fortunate in forterling political events. Ar. Hill must be anxious to see Mr. Cleveland get a worse drub bling than the voters of New York gave to David B. when he ran for Governow against Gov. Morton, if he is really thinking about nominating Mr. Cleveland.

Brooklyh, Aug. 15, 1891.—This is to certify that I came to New York from Albany. I was a stranger in a strange city, out of work and out of money. I had no luck in anything I undertook. What to do I did not know. A friend advised me to go and see Dr. Shea. I did. He told me the cause of my troubles; he took me in and treated me as a brother. Through him I got a good position that very week. I had been to others; they took my money and did me no good. I bless the day I first met Dr. Shea. I would advise all in bad luck, sick or in trouble to go to him at once. Sincerely,

Brooklyn, Aug. 16, 1891.—This letter is to certify that my husband had gone away and had been absent two years, I mourned for him night and day. I gave him up, as dead. Hearing of the wonderful things Dr. Shea was doing I resolved to consult him. He told me that my husband was alive and well, and where he was; told me he would come home and when. To my joy all of it came true. He is home now, came he would come home and when. To my joy all of it came true. He is home now, came had this month I lost \$250. I am a poor woman and I was almost insane. I went to Dr. Shea and he told me I would find my money and to my intense joy I did find it as he told me. I thank God there is a man so gifted in our midst that can help people and tell them what to do.

Sincerely.
